## EMPLOYMENT HISTORY

### Radio Presenter

Pure Radio - DC Thomson (February 2020 - September 2023)

My career at Pure Radio Scotland began by filling in for presenters on air when holiday or sick cover was required. Through hard work and dedication, I eventually earned the opportunity to host my own weekend breakfast show from 7-10am every Saturday and Sunday. Unfortunately, the station closed in September 2023.

### Capital Street Star

Capital Scotland (May 2019 - October 2021)

My main role involved elevating the brand of Capital radio station in Scotland. I achieved this by implementing a blend of on-street marketing tactics and on-air contributions.

### Sound Engineer

FE Live Audio (July 2015 - February 2020)

My role involved setting up, maintaining and managing equipment logistics during a wide range of events, all under strict time constraints. Some of the notable events where I contributed my expertise include Greenday at Bellahouston Park and Trnsmt Festival in Glasgow.

### Match Day Host

Glasgow City FC (August 2021 - Present)

My current role involves being a match day host for the Glasgow City FC, a team that participates in the SWPL and Women's Champions League. On match days, I am responsible for using the PA system to entertain the crowd with music and announce any substitutions or goals scored during the game. Additionally, I update the social media feeds with relevant video content.

### Freelance DJ & Host

(February 2022 - Present)

My work as a DJ and event host revolves around providing services to freelance clients. From wedding receptions to nightclub sets, I cater to a wide range of events such as birthday parties and pub quizzes.

### Shop Assistant

Ralston Newsagents (August 2012 - March 2020)

My primary responsibilities while at Ralston Newsagents included delivering exceptional customer service, overseeing daily operations such as opening and closing the shop, handling daily transactions, and ensuring full compliance with Alcohol and Lottery regulations.

## EDUCATION

### BSc Music Technology (with merit)

University Of The West Of Scotland

During my time at university, I completed several notable modules, including Audio Mastering, Computer Games Audio, Audio Signal Processing, Audio for Film and Animation, and Audio Foley work.

### HNC/HND Sound Production

James Watt College

Whilst attending this course I developed analytical and conceptual thinking with a conscientious approach to managing workloads. I became proficient in all areas of Microsoft Office including Excel, Word and PowerPoint as well as audio programmes such as Pro-Tools, Reaper and Logic.
