Hello everyone, hope you're having a great day. This is **Phuket FM** and **Grigory Fox**.

I'm proud to announce that we continue to support big concerts here on Phuket — and next up is the legendary **Tyga**. On **January 3rd**, he'll be performing right here on the island. Can you imagine? Amazing news!

I'm also happy to tell you that we have **tickets with a 50% discount** using a special promo code — you'll find it in the post.

And if you're wondering who Tyga is: He's a legendary songwriter and American rapper. You've heard him on **Europa Plus** (I was heard there too, by the way). His music was also featured in the iconic game **Need for Speed: Undercover**, and he's collaborated with world-famous artists — for example **Chris Brown, Lil Wayne, and Justin Bieber**.

So you understand: on January 3rd, here on Phuket, his show will be **loud, hot, and very cool**.

Get your tickets with a **50% discount** using the promo code. Don't miss your chance to be part of this huge event.

And keep listening to **InstaRadio** and **Phuket FM**. Have a great time, everyone!
