

Hello. This is InstaRadio PhuketFM.

Up-to-date news, concert updates, and ticket giveaways — all delivered while driving, through Instagram Live.

I'm a radio host with 15 years of on-air experience.

Grigory Fox.

My show is simple. I go live from the car, from the road, from wherever Phuket decides to take me today. I talk to you like a friend sitting in the passenger seat. If something big is happening on the island — a concert, a party, an artist landing — you hear it from me first. Sometimes it's serious, sometimes it's funny, sometimes it's just me shouting "oy, guys, look at this traffic, mai pen rai, we go anyway." It's real life here. No script. No studio. Just Phuket, me, and you listening in to me; Grigory on InstaRadio Drive.
